

Limbe: at sale 36 held on the 4th September, 2012 there were 2,860 packages on offer which met good demand at dearer rates except for the PF1SC that eased for the limited quantity on offer. The few available BP1s were firm to 8c dearer. Better liquoring PF1 invoices met strong demand at firm to 15c dearer but lesser sorts were about firm on last. PF met good demand at firm to 35c dearer and sometimes more. PDs met good demand at generally firm to easier rates following quality. Dust1s were firm to dearer by 15 to 20c. PF1 SC met selective demand at easier rates. All secondary teas were firm on last.
