

Tea Market Report - Sale of 24 & 25 June 2025

MARKET SYNOPSIS

- Contrary to expectations, a greater degree of stability in demand/prices was witnessed amidst speculation of an Iran-Isreal ceasefire.
- Select range of better Western BOP/BOPF's appreciated by Rs. 50 per kg
- Slightly better activity for teas at the lower end of the liquoring category (BOP/BOPF).
- General improvement in demand for Large Leaf teas.
- Unsold volumes still continue to be high.
