

MARKET SYNOPSIS

- Auction offerings remained static.
- Less demand and a lower trend in prices.
- The volatility in the currency/Middle Eastern markets continue to weigh on prices.
- Liquoring teas from the Western slopes – Selected lots appreciated, whilst the majority encountered a lower trend.
- Strong demand at the lower end of the market for BOPF's.
- Less demand and lower prices for poorer CTC teas.
- Low Grown CTC prices dip substantially.
